My Little Green Story Book is the second Pre-Primer of the GINN BASIC READING SERIES. It follows Pre-Primer I, *My Little Red Story Book*, and precedes Pre-Primer III, *My Little Blue Story Book*. This Pre-Primer introduces 23 new words. It also presents as new the 19 words which have already been introduced in Pre-Primer I and Readiness Book of this series. This book may, therefore, serve as the initial Pre-Primer in places where Pre-Primer I is not used.

The lines in the list below indicate the ending of one story and the beginning of another.
